# Final 4 School's State Welcome Sign

**Directions:** As you are driving into each school's state you see these awesome, amazing, spectacular state signs, the signs are made to describe each state in the form of a collage. Each sign needs to have the following information:

- **State population, climate of the state, state capital, state nickname, current governor, major cities, state flower, state tree, state bird, state song, interesting facts about your states (this is where you get to be extra creative!)**

# National Champion's State!

Before your vacation ended, you decided to make one more stop at a famous physical feature in your state. Write a diary entry, explaining the physical feature you went to visit. It must be at least one paragraph! You loved your trip so much that you decided to move to your winning school's state! Create a vanity license plate to represent how much you love your state. Then create a bumper sticker that represents your favorite famous site (physical or historical) you saw on this trip!

*Dear Diary,*
